There are many babies to see all around us just now. Baby animals and plants.

Can you see any outside?

Can you sing along with this song? Don't forget to try doing the actions too.

Oats and beans and barley grow.

I wonder what it would be like to have wings to fly around outside? Have a go, can you swoop and glide?

Can you draw some animals with their babies in your scrapbook?
How many can you think of?
How many babies do they have?

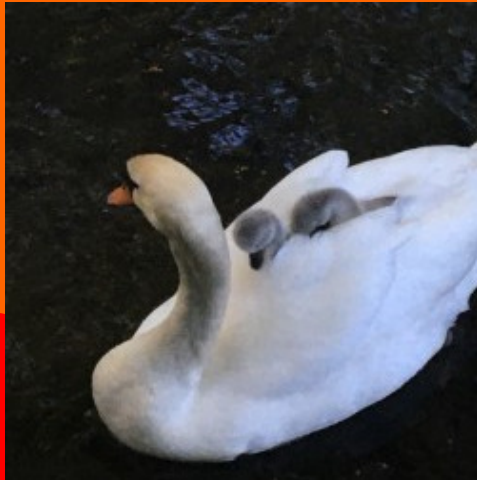

Make a pair of wings or something you could fly, perhaps a plane or a kite?

Mrs Nemer saw some baby swans, we call them cygnets. Do you know some other names for babies?
