

**At Colleges we have been...**

- **Exploring pumpkins**

We have had lots of different pumpkins in the nursery: big, small, light, heavy, orange, green, white, tall, round, bumpy and smooth. The children have opportunities to feel the different pumpkins and talk about what they feel like. The children have been painting the pumpkins and hammering golf tees into them!

- **Making potions**

The children have been experimenting with bi-carbonate of soda, food colouring, fairy up liquid and vinegar to create potions in cauldrons and pumpkins. We have been reading 'Room on the Broom' with the spell 'Iggety, Ziggety, Zaggety, ZOOM!'

- **Starting our visits to the forest**

The children are starting to go on their first visits to the forests. On the first visit the children explore the area, use binoculars to look around and paint with mud! Thank you to everyone who has volunteered to help!

**Books we are reading:**

'Room on the Broom'

'The Witch's Kitchen'
