

**At Colleges we have been...**

- **Reading 'The Gingerbread Man'**

We have been reading 'The Gingerbread Man' at group times and have been bringing the story to life throughout the nursery.

The children have had opportunities to bake their own gingerbread men, which tasted very yummy.

We have had the characters from the story hiding in the garden.

Mrs Dinneen came in with her guitar and sang 'The Gingerbread Man'.

The children enjoyed joining in and singing 'you can't catch me, I'm the gingerbread maaaaaan'.

The children have been retelling the story, using props and stick puppets, remembering the sequence to the story.

- **Exploring the cold weather**

Over night, the water in the garden has been freezing. The children have been exploring what has frozen and how to get the frozen objects out. We have been using sticks to make marks in the ice.

**Books we are reading:**

'The Gingerbread Man'
